American Kennel Club's
6th Rally National Championship and
25th National Obedience Championship
March 15-17, 2019

WELCOME TO ONE AND ALL

Welcome to the 25th American Kennel Club National Obedience Championship (NOC) and the 6th American Kennel Club Rally National Championship (RNC). You and your wonderful dogs have trained hard to meet the qualifications to be invited to compete at these events. Having met the qualifications, you're considered to be among the best of the best. Sincere congratulations, to each and every one of you for reaching this height of accomplishment and best wishes for a successful competition. At this point you're all winners in our sports!

The 25th (Silver) Anniversary of the NOC has 118 dogs (35 breeds) entered with 115 handlers, including one Junior handler, and represent 29 states. The 6th AKC RNC has 406 dogs (91 breeds) entered with 350 handlers, including 12 Junior handlers ranging from 10-18 years old, and represent 40 states. The AKC wants to thank the volunteer workers and others from across the country at all the participating clubs and venues who helped to bring these exhibitors and their dogs to this event. Without your support, your trials and your hard work, the sports of obedience and rally would not exist.

This competition has afforded us the opportunity to bring the best in the world together for two days of obedience, and one day of rally competition. At the conclusion of the NOC and RNC, one handler and dog will be recognized as the best in the nation as the **2019 National Champions**.

On behalf of the American Kennel Club, I want to express a sincere thank you to the exhibitors, to your supporters, the volunteers and judges for their dedication to obedience and rally and to these National Championship competitions.

A special thank you to our host city, Tulsa, to the Committee Chairs, and the many volunteers for offering your time and expertise to make these events a great success. Without you, it would not have been possible.

We must all remember that obedience and rally trials are sporting events and all participants should be guided by the principles of good sportsmanship both in and outside of the rings. Remember, you are going home with the best dog, no matter what the outcome is in the rings. Thank you all for attending the events.

“Wishing you all clear rounds with great camaraderie amongst old and new friends; and most importantly, have fun with your dogs!”

Good Luck to all,

AKC Rally® National Championship Judge
Ms. Susan (Suzi) Bluford – Carmel, California

I began in the sport of AKC dogs during the early 1970's with my first dog, a Golden Retriever, Wendy, who became a breed CH, UDT, WC. I was hooked in all areas of the sport! In 1977, my Golden Retriever, Streaker, was the number one obedience dog in the United States as well as being a breed champion and an owner-handled group winner. My Golden Retriever, Rabbit, earned

her CH entirely from the BBE class in California and my Golden Retriever, Allie, qualified for the AKC National Agility Championship four years in a row. Two other goldens Pebbles and Brick qualified for multiple Master Nationals in Retriever Field Trials. In recent years I have become addicted to the Border Collie and Herding events. I have earned RE titles on both my Goldens and Border Collies.

I am a member of Golden Retriever Club of America, NORCAL Golden Retriever Club, Del Monte Kennel Club and also a founding member and consultant for the therapy dog program at our local hospital.

I have been an active participant in conformation, obedience, rally, tracking, retriever hunt tests and field trials, herding, scent work and agility and bred Dasu Goldens for many years.

I have been an AKC judge since 1985 and am currently approved for all levels of AKC Obedience and Rally. In the past, I have judged many AKC Retriever Hunt Tests at the Master Level and Agility for many years. I have served as Show and Obedience Chair for the NORCAL Golden Retriever Club specialty and chaired the Del Monte Kennel Club's annual Agility Trials as well as their Obedience program. I am a life member of Del Monte Kennel Club and was presented with the AKC Outstanding Sportsmanship Award.

Congratulations to all exhibitors and their dogs and to the American Kennel Club for such an outstanding showcase!

AKC Rally® National Championship Judge

Mr. Dave Brobst – Glen Allen, Virginia

When growing up in Harrington, DE, my family had a Collie. I remember as a young kid going to a local farmer to pick out my first dog. My Collie was a female, but as a young kid, I insisted that she be named Laddie. Laddie was a great dog, always my dog. My mom would feed and brush her, but Laddie was my dog. Laddie would follow me everywhere, even when I would ride my bike, great dog. While in graduate school, I had Miniature Schnauzers and even had one litter. One litter was enough.

Since 1985 I have trained Norwich Terriers. We have earned CD, CDX, UD, MX and AXJ, and rally titles. While working with my first Norwich in Utility, I remember what I thought was a very good run at a trial and getting a 169 ½. I said to the judge, "please give me a 1/2 point or take off another 30." The judge replied, "That is what you earned and that is what you will get." Needless to say, I almost quit but did not and went on to get a UD.

I have taught many levels of obedience and rally at our local dog club, helped organize obedience and rally run throughs, supported my wife as the trial secretary for their trials. My wife and I take our Norwich to a local nursing home where we meet my sister-in-law and her Lab for therapy visits. The residents really love our dogs. At this same nursing home, I take my Norwich and call BINGO every Friday afternoon. (If I do not bring my Norwich the residents are not happy). Every time before the next game I say, "Clear your cards and everybody plays," my Norwich puts his paws on the arm of the chair indicating he wants his treat NOW! All the residents yell in unison, "Feed the Dog!"

I am an AKC Rally Judge and a provisional Obedience Open Judge. I am currently having fun with my Norwich training Open Obedience and Tracking as well.

Dogs are so much fun and during my training I say, "If it was easy, everybody would do it."

Good Luck to everyone and remember to breathe.

AKC Rally® National Championship Judge

Mrs. Joanie Brobst – Glen Allen, Virginia

When growing up in Williamsburg, VA, my family always had a Collie or Sheltie. My mother had a great idea to send one of the Collies, Rocky, to doggie "college" and he came back quite trained but that lasted for about a week! Since 1985 I have attempted to train Norwich Terriers. After my first CD, I was so traumatized, I stopped for 6 years. Then I heard about Canine Freestyle and thought my second Norwich, JT, and I would give it a try. In our first recital, I thought we did a great job with freestyling to "Yellow Submarine" but don't think the judges agreed. But in our second recital, JT and I placed first to the tune of "Yakety Sax" and had a ball. Thus, I was back into training again. Since then I have earned CD, CDX, UD, VER, several agility, rally, CGC, therapy and trick titles. Several years ago, my Norwich Zilly, earned an RAE title which was the first Norwich to earn that title.

I have been a member of Richmond Dog Obedience Club in Richmond, Virginia for 30 years. There I have been in various classes and have taught dog obedience/rally classes, been trial secretary for many trials, am a member on the demo team where we visit various nursing homes and establishments. Through these activities and most important, the bonds with my dogs and relationships with so many wonderful friends are immeasurable. The fun continues with my new Norwich, Chip!

Thanks, AKC and good luck to everyone!

AKC Rally® National Championship Judge
Mr. Russell Hornfisher – Maryville, Tennessee

Over thirty years ago I attended dog shows as a reluctant participant. I went only to watch my wife show. When I attended, I read the paper or propped open my briefcase and worked, paying attention to the ring only when my wife was exhibiting. It was very unlikely that I would ever develop into a dog show judge.

In 1985, I earned a Master of Science in Organizational Behavior and Development Degree. Requiring several years of hard work, including writing a thesis, and exposure to learning principles I enjoyed, such as *Operant Conditioning* and *Social Learning Theory*. Three years later, in an attempt to get better control of a Golden Retriever puppy, I made a fateful offer, “if you are not able to train the puppy, I will.” Soon after that, I found myself enrolled in an eight-hour, Terry Arnold dog obedience seminar, where she lectured in the morning on valuable topics including *Operant Conditioning*, *Social Learning Theory* and other valuable principles.... I was hooked. Since that time, I have titled dogs in Obedience, Rally, Agility and Tracking. I started with dogs we raised from puppies, moved to adopting rescues, then fostering dogs, many with issues developing after a disadvantaged start in life. The combined experience has taught me much about dogs and people. The issues, unique to each dog, make training and earning performance titles both challenging and interesting.

Professionally I have worked in the orthotic and prosthetic industry for over 25 years. The dog training experience has allowed me to expand professionally, led me to develop business related presentations and publish articles with such titles: “How to Treat You Customers like a Dog”, “Who Moved my Dog Dish?”, “Selling like a Dog”, “Overhead Projectors and Golden Retrievers”. My recent endeavor has been publishing a book, “How to Treat Your Employees like a Dog”.

Who would have anticipated that the guy sitting ring side with his head buried in the newspaper would eventually become an AKC Obedience and Rally judge?

Best wishes to all exhibitors.

AKC Rally® National Championship Judge

Ms. Loretta Lazzara – St. Charles, Illinois

In 1970, my mother took a class at the local park district and noticed a dog training class in the basement. We had just gotten a family pet Pomeranian, so I signed up for classes. One of the class instructors showed Pomeranians. We started talking and, as they say, the rest is history.

After training the Pom, I moved on to a breed more suited for me, the Shetland Sheepdog. As I met more Sheltie people and got into Conformation and breeding, but decided breeding was not for me, it was more fun going to shows. I started judging matches for my dog training club and after

judging about a gazillion matches and loving it, decided to apply to become an AKC Judge.

My current teammate is the 10th Sheltie I have owned. Pyro is an owner handled Grand Champion UD, RAE and we just finished our Rally Master title at the end of 2018. We can now focus on the UDX. While Pyro does love Agility, there is no more time in my day to add this venue in my life.

I am an Assistant Director of Training at Fox Valley Dog Training Club in St. Charles, IL. I teach the Utility Class and help with run throughs. It is such an honor to be selected as one of the judges for the 2019 AKC Rally® National Championship. Thank you, so much and good luck, to all entered.

AKC Rally® National Championship Judge

Ms. Linda Mills – Pensacola, Florida

I entered the Obedience world in 1994 with my Novice A dog, a Shetland Sheepdog named Nicki. Together we bumbled our way to a Utility title. Our CD was accomplished in 3 trials, and our CDX in 4 trials. Utility blindsided us, and it took about 30 trials to complete. On the day she earned her title, during the Directed Retrieve exercise, I accidentally stepped on her tail fur as we turned. After crying out a loud yelp, she completed the exercise leaving a large tuft of fur under my foot. Since then I've earned AKC Rally, Obedience and Agility titles with another Sheltie, five Papillons, and a Netherlands Kooikerhundje. My friends have many "Linda" stories to tell about our trial experiences. There was the time when I went blank at the retrieve over the high jump and asked the judge (the late Don Young) "what should I do with this dumbbell"? He answered in his special English accent "just throw it over the jump dear". On another occasion, my little 5-pound Papillon left my side on the rally course, got a toy from the distraction, came back to heel position and carried it for the rest of the course. I enjoy teaching rally classes and I have been judging AKC Rally since its inception. It is such a pleasure watching teams successfully complete a course.

Many thanks for my friends and fellow members of the Five Flags Dog Training Club of Pensacola, Florida for always being supportive and encouraging.

Congratulations and good luck to all competitors.

AKC Rally® National Championship Judge
Ms. Sandy Svendsen – McKinleyville, California

As a teenager, I fell in love with Dobermans the first time I saw one. Over the years I have owned five Dobermans, a Mixed Breed, and recently a Manchester Terrier; titling the Dobs and Mixed Breed in both Obedience and Rally. When my last Dobe passed, I became the owner of a Manchester Terrier and we are currently trialing to a Utility Dog title, and Scent Work Excellent Title. My passion for training and trialing in Obedience, Rally, and Scent Work led me to apply to judge AKC Rally. I conduct weekly run-thrus and instruction for local Rally

teams. In 2016, my Manchester and I competed at the RNC in Tulsa in the Rally Novice class and came in 4th place with a score of 199. I belong to the American Manchester Terrier Club and am active in local dog clubs. My first enjoyment is that of the bond between me and my dog, as well as learning increasingly complex behaviors required in higher levels of competition.

I am a retired Auditor. I was raised in Danville, California, when it was rural and beautiful, and rode my horse bareback all over those hills, which are now covered with houses, condos, townhomes, and businesses. I now live in McKinleyville, California, with my husband, the Manchester, an 18-year-old DSH cat, and 4-year-old feral Siamese cat. I consider it is an honor and a privilege to be judging at the 2019 RNC, and look forward to meeting new people, judging great teams, and having fun.

AKC Rally® National Championship Judge

Mrs. Carolyn Wray – Saint Helens, Oregon

My name is Carolyn Wray and I live in Oregon with three Miniature Poodles and one Border Collie. The gang and I participate in AKC events including Obedience, Rally, Agility, Tracking, draft and field work. I have dabbled in Conformation and Herding as well. All my dogs are spoiled house pets and they all sleep on the bed. I grew up in a dog show family; my mother showed Kees and later Bichons, Italian Greyhounds and Smooth Fox Terriers. I went to many shows with her to carry grooming stuff, hold dogs and occasionally show one of them.

I bought my very own dog, a Keeshond, in 1965 and we earned her CD in 1966 (I was still in grade school). We mostly trained alone using Blanche Saunders books, and when my Lovely Lady of Voornaam (DeeDee) and I earned her UD in 1969, I was pretty sure I knew everything there was to know about obedience training! Ha! The wisdom of this then teenager, was quickly squashed by my next Kees. CH Fritz Van Voornaam UD became my first owner handled group placing Conformation Champion. We were often seen dashing from Obedience to the breed ring, and back to the Obedience rings. Fritz was my first High in Trial winner and quite the clown. He quickly, and repeatedly taught me to not take dog shows or life too seriously...I was a slow learner and needed frequent reminders.

In the mid-1970s I fell hard for Poodles and have had at least one in my life at all times (Minis and Toys). I have also had several Shelties and they were all successful competition dogs as much as the budget and family life allowed.

One summer day I very unexpectedly acquired a six-month-old Pekingese. If you had asked me that morning if I wanted one I would have laughed at the thought, but somehow, by afternoon the little guy became a part of our household. Achieving a CDX title on my beloved Peke, Kenny, is one of my fondest memories. His registered name was Wraynbow Unique CDX and he was indeed unique; I miss him to this day.

**Mrs. Carolyn Wray – Saint Helens, Oregon

In addition to many years of showing, I have also written many articles on dog sports, most specifically Obedience and Rally. I have contributed to such magazines as the Poodle Club of America's "Poodle Papers," the Versatility in Poodles quarterly newsletter and the now defunct, Kee Topics.

I bring a varied background to the ring every time I judge, and this experience gives me a balanced perspective both as a judge and as an exhibitor. I enjoy every assignment. Being an Obedience and Rally judge is the best hobby you can have!

25TH AKC NATIONAL OBEDIENCE CHAMPIONSHIP

**SATURDAY & SUNDAY
MARCH 16-17, 2019**

Patricia R. Krause

“Soaring Eagle” Perpetual Memorial Trophy

In April 2017, the obedience world lost our friend and mentor, Pat Krause. Pat Krause had been in the dog show world since 1965, showing Irish Setters in obedience, conformation and field events. In addition to Irish Setters, she earned numerous titles in obedience with her Border Collies and Champion Pomeranian.

Pat was the Assistant Director of Training at K-9 Obedience Training Club of Menomonee Falls, WI; the Director of Training for the Irish Setter Club of Milwaukee; and a private trainer at several other clubs in the Milwaukee, WI area. Pat was an Obedience Judge for more than 40 years and came to the AKC in 1999 as the Director of Obedience; then in May 2000 she was named Assistant Vice President of Companion Events.

In May 2005 Pat retired from AKC and resumed judging Obedience and Rally. In her spare time, she volunteered at the Northwoods' Wildlife Rehabilitation Center as an animal/raptor rescuer and rehabilitator; she loved eagles.

Pat's five years as AVP of Companion Events saw the continued growth of AKC agility and the introduction of AKC rally, among the most successful programs in the organization's recent history. Under her stewardship, AKC Companion Events thrived with National Championships in Obedience, Agility and Tracking; and with AKC sponsored teams competing internationally.

Pat Krause was generous with her knowledge and time, to not only the winners, but also to the first-time dog training enthusiast. She never forgot how she became involved in dog training and was sure to mentor anyone who wanted help.

It is for this reason that the Companion Events Obedience & Rally Team will award the “Soaring Eagle Award” at the National Obedience Championship, in memory of Pat Krause, who was always there to give a word of encouragement.

At the NOC, at the end of the first day's competition, the top 50-ranked dogs move on to the second day of competition. The “Soaring Eagle Award” will be bestowed upon the 51st-ranked dog at the end of the day-one competition, to recognize their efforts and to remind them to never give up; and to always keep reaching, keep striving, keep trying, KEEP SOARING; just as Pat Krause would have emulated.

AKC National Obedience Championship Judge

Mr. Joseph (Joe) Caputa ~ Hainesville, Illinois

Like many people I have had dogs in my life since childhood. I got involved in the sport of purebred dogs in 1979. My breed of choice has been, and remains, the German Shepherd Dog.

When I joined the GSDC of Wisconsin in 1979 I was fortunate enough to have the support of some great people in both breed and obedience. After several years of competing successfully in both venues I realized my true passion was in the obedience ring.

I have had a number of great dogs over the years and put obedience titles on every one of them. I have had the pleasure of campaigning dogs to breed champion as well as obedience champion. I have had the honor of having one of my dogs qualify for the NOC invitational in 2009 & 2010

I decided to make the move to judging around 2005 and became a provisional Obedience judge in 2007. I completed my provisional Utility in September 2014. It has been a way for me to give back to a sport that has been an important part of my life. I have met some great people both as a competitor and a judge and hope to continue enjoying the sport on both sides of the gates for many more years.

My wife and I also enjoy being puppy raisers for Canine Companions for Independence. It is amazing how much I have learned as a puppy raiser and how truly important and versatile dogs can be.

AKC National Obedience Championship Judge

Mrs. Linda Hause ~ Santa Rosa, California

I can't remember a time when I was not attracted to dogs. Learning that there was something you could do with dogs came from reading many books about dogs. I remember one of those Scholastic books about a Cocker Spaniel that had been the runt of the litter but earned all sorts of Obedience titles. The story was all about training the dog. I knew that when I got

my first dog, I would be doing some kind of dog training. The first dog I tried to train, using my grade school level of expertise (which is why he was not very well trained) was my family's Cocker mix, Lucky.

My first serious training effort was with Siren, my in-law's 6-month-old red Doberman puppy. I did basic obedience training with Siren in 1974, earning my first CD. I pursued my interest in dogs acquiring my first Siberian Husky at the same time I was training my Doberman. I continued training and competing in Obedience. I started assisting with instruction at classes with the local Obedience club as I raised my two children. It was a natural progression to move from training to instructing and eventually to judging.

I was fortunate to have several Obedience judges that encouraged me to become an AKC judge. Without the encouragement of Mid Rothrock, Keith and Jackie Coyne and Ron Simmons I might not have pursued judging. It has been a rewarding experience, allowing me to watch top teams across the country and to encourage those exhibitors that are just starting. I enjoy being able to support Obedience and Rally competition in this capacity. Now that my children are grown, and I am retired, I have more time to pursue my passion of training, competing, showing and judging.

I have been involved in the sport of Obedience as an exhibitor and instructor since 1974, as an AKC Obedience judge since 1991 and as a Rally judge since 2009. While my primary breed is the Siberian Husky I have also owned and trained a black Labrador Retriever to its UD and a Finnish Spitz to its breed Championship, CD and AX. I have trained multiple Siberians to their CD and Rally titles. I currently own two Siberian Huskies that are showing in Conformation, Obedience and Rally competition. I love the bond that builds as I work with my dogs towards various titles.

I hope that all of you entered at this event discover the same enjoyment and fulfillment that I have as you continue to show your dogs for their AKC titles. I congratulate you on your success as you compete in the AKC National Obedience Championship. Good luck as you pursue this ultimate goal!

AKC National Obedience Championship Judge

Mrs. Sharon Hodgens-Wood ~ Hudson, Wisconsin

Way back in 1973 I brought home a Standard Schnauzer puppy who would go on to change my life. I had long been interested in dog training and now I had the dog, the time and the nearby school to realize that dream. The school was Marly Whiting's Canine College and there I learned how to be a dog trainer. I also learned about AKC Obedience titles and developed the desire to compete.

From that first CD, that first dog went all the way to an OTCH, which we completed soon after it became an official title. Now, years and years later, I have obedience titles on three more Standard Schnauzers, a Sheltie and a Papillon. Also, during those years, I became an Obedience and Rally judge and spent five years serving as an AKC Obedience/Rally Field Representative. I am now back to judging and am training my young Pumi. My plan is to get in the ring sometime this summer and earn some Novice titles in both Obedience and Rally.

All of this happened because of that first Standard Schnauzer and the encouragement and instruction I received from Marly and Canine College. It is a pleasure to be judging all the great teams here at the NOC. Congratulations to all who qualified to be here and the best of luck to everyone. Most of all have fun and be thankful you have the best dog to take home with you!

AKC National Obedience Championship Judge

Ms. Virginia (Ginger) Kinion ~ Saint Charles, Missouri

It is a pleasure to be invited to judge the NOC in 2019. My judging career began in 1993 and this is my second time to judge the NOC. My three Shelties and one Tibetan Terrier and I make our home in St. Charles, Missouri. I am a retired school teacher and now spend my time training dogs, teaching dog classes and judging.

My achievements as an exhibitor include two OTCh Shelties, a UDX Tibetan Terrier plus several other Utility and UDX titles. My current Sheltie and I just finished a RACH title and really enjoy the sport of Rally. My passions are going to the movies and attending Cardinal baseball games. I have been a widow since 1998. My family consists of two children and four grandchildren.

Hopefully all the exhibitors will enjoy the time spent with their dogs while in Tulsa. Congratulations to everyone for being invited to this event. Have fun and keep on smiling.

AKC National Obedience Championship Judge Miss Bonnie Lee ~ Las Vegas, Nevada

As a young child Bonnie was raised with her collie 'Lassie'. After Lassie's passing her parents gave her the choice to pick any AKC breed and she chose a Sheltie and named him 'Laddie'. She had 'Laddie' for 14 years – from her teen years into her 20's. In 1979 Bonnie read about the Papillon breed, got a puppy and stayed with the breed. It was 1995 when Bonnie found out about Obedience. She took her new puppy to a dog show in southern CA to be evaluated by some breeders and passed by a ring off to the side with a line of various breeds sitting by themselves in the ring with only a judge. Bonnie asked a spectator what this was and was told that it was Obedience and the 'out of sight sit'. She was fascinated and decided then and there that this is what she wanted to do.

Her papillon 'Rosie', OTCH Mardon's Autumn Mist UDX7, AX, AXJ, RE, , went from Novice A to OTCH by the age of 3 and competed at 4 NOI's (now the NOC) winning the Toy group twice and placing 3rd twice. 'Dolly' came next and went from Novice to OTCH in less than 9 months....and by the young age of only 2 years and 11 days old! OTCH 'Hello Dolly' of Arbeitsheim UDX12, AXP, AJP, RE went from the Novice to Utility titles with no NQ's. Dolly only competed in Obedience for 5 ½ years, but in that time had 63 HIT's & 61 HC's and was the first Toy breed to reach 1000+ OTCH points and was just 6 years old. 'Dolly' competed at 4 NOI's and won the Toy group twice and placed 2nd twice.

Bonnie has been judging AKC Obedience trials since 2000. In 2000 she was asked to put together a team, which would be one of five chosen AKC teams to premier the new sport of 'Rally' at the 2000 AKC National Obedience Invitational in St. Louis, MO. She has been involved with Rally ever since. Bonnie also judges Obedience & Rally for ASCA and has judged for them in Europe five times. In addition, she enjoys judging carting for the American Rottweiler Club.

Bonnie was born in NYC and grew up at the Jersey shore. After graduating from the La Jolie School of Charm in Pt. Pleasant, NJ, Bonnie had a successful modeling career in NYC and also was a Playboy Bunny at the Great Gorge, NJ, club and the NYC club back in the 1970's. In 1978 she moved to Las Vegas where she became a casino dealer, pit manager and executive casino host.

**Miss Bonnie Lee ~ Las Vegas, Nevada
(cont'd)**

Miss Lee has been living in Las Vegas, NV, for 40 years where she teaches all levels of competitive Obedience. She has been involved with beauty pageants both as a competitor and a judge since her teens and enjoys worldwide travel, golfing and the live theatre.

“Obedience is the foundation of all dog events and for responsible dog ownership. I am honored and privileged to judge at this NOC where the country’s top Obedience teams will be competing. I wish all exhibitors a successful showing! It’s my hope that you enjoy our time together --- I know I will!”

AKC National Obedience Championship Judge

Ms. Jean Nocilly ~ Cheswold, Delaware

After 20 years of riding and showing Quarter Horses, I acquired my first show dog, a Bouvier named Amos. My Novice A dog took me on a wonderful journey into the world of dog competition. The very first thing I did was sign him up for obedience class. Our first obedience trial was the Bouvier Nationals in 1995, where he earned his first CD leg. Amos eventually earned his UD, 8 UDX legs, an HX and an AX before retiring.

Since then I have competed with 7 other Bouvier's in AKC events, including Obedience, Agility, Herding and Tracking. Three of my dogs have become Herding champions. All of my dogs have been Conformation champions. Five have earned UD's and two have earned UDX's. I was privileged to compete at the 2006 National Obedience Championship in Long Beach, California with one of my dogs. When Rally was introduced by AKC, I also started training and showing my dogs in Rally, earning RAE's on 4 of my dogs.

I was an active member of the Syracuse Obedience Training Club from 1993 until I moved to Delaware in 2010, serving as instructor and secretary for many of those years. Since moving to Delaware, I have stayed an associate member of SOTC and have joined Talbot Kennel Club.

My Bouvier's have been honored yearly at the Bouvier Nationals by being in the Performance Top 20, earning the Multiple Level Performance award, Obedience Owner Handler award and High in Trials in both Obedience and Herding. I am currently the performance and herding chair for the ABdFC.

My two older dogs are retired from Obedience and Herding but have been training for AKC Scent Work. I have found it to be a great way for older dogs to continue working. My 11-year-old, Callie, is ready to compete and trains with enthusiasm and joy. Nike, my Herding superstar, just recently earned his RAE. He has earned UD and Versatility Obedience titles as well as Herding Advanced Master A course titles on ducks, sheep and cattle. He also has intermediate B course titles on ducks and cattle and a started B course title on sheep, along with 2 legs in the new D course introduced last year. Nike was my second Bouvier to earn a Tracking Dog title. My youngest, Painter, has started his Obedience and Herding careers with much success. He has Herding Started Master titles on sheep and cattle, a Started duck title, a CD and one CDX leg. I am looking forward to continuing the journey with him.

In 2010 I realized a goal of mine by becoming an AKC Obedience and Rally judge. I have enjoyed my judging experiences in different parts of the country, especially my trips to Tulsa, Oklahoma to judge the very first Rally National Competition in 2013 and to Orlando, Florida to judge the Obedience Classic in 2016. In 2014, when the NOC was held in Harrisburg, Pennsylvania, I was the volunteer coordinator. That job helped me to realize the amount of work done by the AKC Obedience staff to make events like this happen. Their dedication is admirable, and I would like to thank them in advance for their efforts.

It is a great honor to be invited to judge the National Obedience Championship in 2019. I am looking forward to judging the best dogs in the country and wish you all many “zero” scores.

AKC National Obedience Championship Judge

Ms. Jeanne Stephens ~ Saint Rose, Louisiana

In 1986 I purchased my first Sheltie, Angel. A breed I always wanted to own. I joined the local Obedience Club and quickly got bitten by the Obedience bug and our journey began. I was very active in the club and held just about every office, including President and Training Director. After Angel earned her Utility title, it was time for another Sheltie, then another and

then another. I continued my training in Obedience. My shelties titled not only in Obedience, but in Herding, Agility, Coursing and Rally too. I became interested in Conformation and set my goal to breed a Champion. I reached that goal in 2016 and finished Ashton's Championship from the Bred-By-Class. In 2018 I was awarded the Certificate of Achievement Versatility Excellent + Champion from the American Shetland Sheepdog Association. I am a Breeder of Merit.

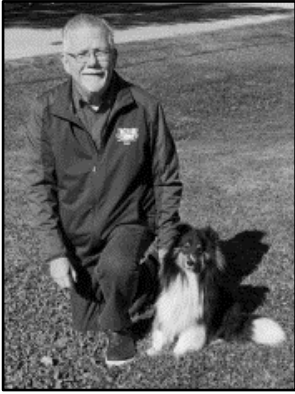

CH Angelica's Sir Ashton of Oak Manor was one of 6 Sheltie puppies I bred, and those puppies are showing in Obedience and Agility. I am presently showing Ashton in Obedience and Agility. My girl, Summer, is working on her UDX, needing that last leg. I have enjoyed every minute of every day loving and training my Shelties. After nine Shelties, I recently acquired a Border Collie. Yep, went to the dark side!! I am ready to start a new journey with my precious little girl "Honey".

After Angel earned her Utility title, a couple of my club members were Obedience judges and convinced me that I should consider becoming an Obedience judge. In 1992 I was approved to judge Novice. In a few years I was able to judge all classes. Over the last 27 years I have judged some awesome working dogs and have met some awesome people. Dog people are the best! In 2015 I was honored to be invited to judge the Classic and now so thrilled and honored to judge the NOC. I look forward to meeting new people, seeing old friends and judging the top dogs of our sport.

Best of Luck to everyone. A bit of advice from me: HAVE FUN!!

AKC National Obedience Championship Judge

Mr. Robert (Bob) R Withers ~ Lakeland, Florida

Mr. Robert (Bob) Withers began his judging career in 2005, prior to becoming a judge he trained and competed with Shetland Sheepdogs for many years. During those years he was also an instructor teaching competitive and non-competitive classes in the Central Florida area.

Late in 2004 Bob was attending an AKC Judges seminar as a spectator, on the second day Pat Krause announced that the afternoon session would be devoted to the introduction of Rally to current judges as it would become a recognized event in 2005. After the session Pat asked if there was any interest from anyone in becoming a Rally Judge. Bob had been instructing classes, and many of his students recommended that he apply, which he did and so began his judging career.

Bob was honored to judge the AKC Rally National Competition in 2014 and had the privilege to judge the Juniors Classic in 2016. Bob also served on the 2010 AKC Rally Advisory Committee.

Bob is a Lifetime member of the Mid-Florida Shetland Sheepdog Club, a member of the Tampa Bay Area Shetland Sheepdog Club, and currently president of the Imperial Polk Obedience Club in Lakeland, Florida.

Bob also volunteers many hours each year in support of the Florida 4-H and Future Farmers of America youth organizations, it is his belief that if we are to successfully continue our beloved dog sports, we have to create interest with our youth.

As a judge for AKC, an active competitor, and an instructor, Bob would first like to thank AKC for granting him the privilege and honor of being a member of the judging panel for the 2019 NOC. Bob also wants to wish the best of luck to all of the exhibitors that will be teaming with their K-9 partner at the 2019 National Obedience Championship.

THE MAN IN THE ARENA

**It is not the critic who counts; Not the man who points out how the strong man stumbles, or where the doer of deeds could have done them better. The credit belongs to the man who is actually in the arena. Whose face is marred by dust and sweat and blood; who strives valiantly; who errs, who comes short again and again, because there is no effort without error and shortcoming; but who does actually strive to do the deeds; who knows great enthusiasm, the great devotions; who spends himself in a worthy cause; who at the best knows in the end the triumph of high achievement, and who at the worst, if he fails, at least fails while daring greatly, so that his place shall never be with those cold and timid souls who neither know victory nor defeat.
