Dear Friends,

It is my pleasure to welcome you to the 26<sup>th</sup> American Kennel Club National Obedience Championship (NOC) and the 7th American Kennel Club Rally National Championship (RNC).

2020 has been a year like no other, yet here we find ourselves in Orlando, united more strongly than ever in our love of dogs and the Sports that we share as a community.

This year, our National Obedience Championship features 124 dogs from 32 states, representing 40 breeds. Our Rally National Championship competitors include 411 dogs from 87 breeds and 36 states. We are delighted to count seven Juniors among our handlers this year. We welcome every one of you, and we thank you for being with us to exhibit the beauty and teamwork of AKC Companion Events. Your dedication to training and trialing over the past year – in spite of unprecedented circumstances – proves that the human-canine bond can be tested, but never broken.

The American Kennel Club is grateful to our exhibitors, volunteers and supporting clubs for helping us bring these incredible competitions to life in an exceptionally challenging year. Every one of the dogs and handlers in our rings represent the pinnacle of success in AKC Obedience and Rally throughout the United States. This weekend, each sport will crown only one AKC National Champion. But when the competitions have ended, remember that the dog you take home is always the winner of your heart.

Are you ready? Forward!

Good luck and above all, have fun.

**AKC Rally® National Championship Judge**  
**Mrs. Barbara Arine – Lompoc, California**

Barbara has been an AKC Rally judge since 2005 and a Non-regular Obedience judge since 2015. In addition, she is a Canine Good Citizen Evaluator, a Farm Dog Certification evaluator since 2017 and in 2019 became an AKC Temperament Test evaluator. A retired System Safety Engineer and Ergonomist, she worked on the Space Shuttle, International Space Station and on numerous missile, rocket and satellite programs.

She is a lifelong lover of dogs and remembers that the family always had a dog – purchasing from a breeder, adopting dogs from the animal shelter or picking up strays. Her earliest recollection is of a Rough Collie, from the “Lassie” line that her parents trained. She “formally” trained her first dog in the early 1960s – a German Shepherd Dog, at a community obedience class but wasn’t thrilled as those were the days of “throw chains.” In the mid-60s, she moved to Santa Barbara to attend the University of California. It was during this time that she experienced what dog training could and should be. It was also the beginning of her twin passions – Obedience and Herding. She attended obedience classes that were offered by the Los Padres Obedience Club and were taught by instructors who were also AKC judges. She learned from them that consistency and finding what motivates each dog was the key to getting the best out of the dog. She also learned that you have to have fun while training and showing - If you’re not having fun with your dog, you need to look in a mirror to find the problem!

**AKC Rally® National Championship Judge**  
**Mrs. Barbara Arine – Lompoc, California**

From the 1960s to the 1990s, she trained with the Los Padres Obedience Club in Santa Barbara and held all elected offices as well as serving as Training Director and Trial Secretary. Her introduction to Rally was in 2000 while attending a Dog Trainers seminar and saw it as a great way to get more people interested in obedience because of its fun, engaging and less formal style. Her love of herding came after watching an exhibition of a brace of Border Collies herding sheep. She was enthralled with their teamwork and obedience. After completing her Masters Degree, she finally got her first Border Collie. Ironically, the breeder she chose was the same gentleman she had watched working sheep at the exhibition.

Barbara and her husband share their home with five Border Collies, a small herd of sheep and 2 semi feral cats. In addition to judging, she currently teaches and presents obedience and rally seminars and workshops, has been a Red Cross Pet First Aid instructor, trains service dogs and is active with Therapy Dog visits. She shows her dogs in obedience, rally and herding, and has earned multiple high in trials in each venue with her dogs and dabbled in conformation with 3 home bred champions. A member of the Lompoc Valley Kennel Club, she serves on the Board of Directors and as the Obedience and Rally Chair. She is also a member of the Inland Empire Herding Dog Association and Australian Shepherd Club of America.

Barbara would like to thank the AKC for inviting her to judge at the Rally National Championships and extends best wishes and congratulations all exhibitors at the AKC Rally Nationals.

Good Luck, keep well and stay safe!

**AKC Rally® National Championship Judge**  
**Mrs. Brenda Crim-Critelli – Parrish, Florida**

“It is my pleasure to be invited to judge the 2020 AKC Rally National Championship and National Obedience Championship in Orlando, Florida. I would like to thank all of you and especially those at AKC who work so hard to make this event possible, we all know that without them this great day would not be happening. First and foremost, let us all relax and have a great time like I did in 2016 when I judged the RNC in Tulsa, Oklahoma. I was also able to attend the 2015 and 2017 national where my husband was a competitor.”

Brenda and her husband make their home in Parrish, Florida along with their adorable, loveable, and totally obedient Border Collie Jett, and a crazy demanding and totally out of control Russell Terrier Trout. “We are a Pack,” she said.

Like many of you, Brenda purchased her first dog, entered her first obedience class, earned her first title, and was lured into the obedience world. After earning several obedience titles on her dogs and teaching many obedience classes at their club, AKC introduced Rally into its events department and her dog club gave her the opportunity to teach their first official rally classes. After finishing all her titles, she applied for judging and in 2005 judged her first rally trial.

Brenda has attended many rally/obedience seminars over the years while watching Rally earn a respected place in AKC events. She has been a member of the Dog Training Club of St. Petersburg for 25 years and a member of Sarasota Obedience Training Club for the last ten years. She is also a member of NADOI (National Association of Dog Obedience Instructors), while also competing in obedience, earthdog, tracking, and herding with her dogs.

Brenda said, “I want to wish all who have trained so hard and traveled so far to compete in this great event, welcome and much success.”

**AKC Rally® National Championship Judge**  
**Ms. Kimberly Hazelet – Prattville, Alabama**

Being a devoted obedience competitor for many years, Kim's sights were set on being an obedience judge one day. She honestly had never had much interest in rally, but after watching a rally ring while attending a local dog show, she began to realize the benefits of the sport. A light bulb went off in her head! "I could pursue being a judge, albeit in rally, and my current obedience dog could take a break from the advanced classes, earn some new titles and have fun learning a new venue. It was a win-win situation!"

After earning a RAE title on one of her shelties, Kim sent in her judging application for rally. She was granted provisional status in 2013 and her rally judging journey began. Kim's local obedience club, Montgomery Alabama Dog Obedience Club (MADOC), helped her immensely in getting her first assignments. The Southeastern dog clubs displayed their generosity by hiring her repeatedly in her provisional days. She earned the required numbers by judging as far as North Carolina to Florida, Tennessee to Georgia and everywhere in between. Her final required observation occurred in Perry, Georgia and she was granted regular judging status in 2018. "It was an incredible journey allowing me to meet wonderful handler and dog teams," she said. During that time, Kim also managed to title her own dogs, Shetland Sheepdogs, Clumber Spaniels and Pointers at various rally level titles.

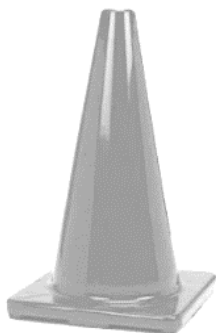

Rally is a wonderful venue that can be enjoyed by all dog breeds. Kim says, that she's have been fortunate to have success with several unusual breeds in the rally ring. In 2017, she qualified for the AKC Rally National Championship with a Pointer at the novice level. Attending this show strictly for the experience, she had no expectations for herself or her dog. Imagine her shock when they placed twelfth out of eighty competing teams. She returned home floating on cloud nine!

**AKC Rally® National Championship Judge**  
**Ms. Kimberly Hazelet – Prattville, Alabama**

Currently, Kim has attained a Master Rally title on her Pointer which is a first within the breed. They have also started their journey for their Rally Champion title and foresee another National Championship in their future. Kim also enjoys using the rally classes for her green, up and coming dogs. She feels it gives them a great first experience and she is able to give them any verbal support they need.

Kim never dreamed she would be judging at the AKC Rally National Championship. Kim said, “I am looking forward to seeing the great dog and handler teams. Good luck to all the competitors and enjoy the experience with your four- legged friend.”

**AKC Rally® National Championship Judge**  
**Ms. Deborah Neufeld – Kissimmee, Florida**

Deborah has been involved with AKC Obedience competition since 1981 and Rally since 2000, shortly after Bud Kramer introduced it. She is an AKC Rally and Obedience Judge who developed and taught the first Rally classes for Orlando Dog Training Club. Deborah was honored to be invited to represent the sport of Rally on both the first and second AKC Rally Advisory Committees. She also judged the very first Rally National Competition and has judged the AKC Classic in Orlando. Deborah writes a regular column for Front and Finish and is co-moderator for the Rally Judges list. One of her proudest moments was earning the RACH title with her Cavalier, Dylan. Dylan has also competed in two RNC competitions. Deborah is a CGC, Trick Dog and AKC Temperament Test Evaluator.

Deborah is a member of Orlando Dog Training Club, Imperial Polk Obedience Club, Dog Obedience Clubs of Florida, Toy Dog Club of Central Florida, American Boxer Club, Mid-Florida Cavalier King Charles Spaniel Club, and Danish-Swedish Farmdog Club of America. In her spare time, she enjoys creating beaded jewelry.

She currently resides in Kissimmee, Florida with her husband, Chip. They share their home with a Boxer named Maya, Sunchase's Celebrity Crush TKN; a Cavalier named Dylan, RACH Lacanina Orion CD BN RM4 RAE3; and a Danish-Swedish Farmdog puppy named Daisy, Coolibah's Secrets and Surprises RN FDC CGC TKA IT. All of her dogs train for rally as well as obedience. Deborah recognizes the enormous honor and responsibility of being selected to judge the Rally National Championship, and hopes everyone entered enjoys the experience as much as she will! **Good luck to all!**

## AKC Rally® National Championship Judge

### Mrs. Barbara Wedekin Selton – Bloomington, Minnesota

Judging obedience and rally has taken Barb to so many fabulous places from Alaska to Texas, from Hawaii to New York, from Canada to Florida and everywhere in between. With each place she has met great people, wonderful dogs and experienced spectacular travels.

Handlers often tell her “You make it such a wonderful experience in the ring”, and she responds... “Because I Love Judging,” and they say it shows.

Barb loves to judge because she is passionate for the sport and loves giving back to the obedience community, who has given her so much for the past 40 years. She put her first dog in the ring in 1980, where she won a blue ribbon-and says she was hooked!

Barb’s goal every time she judges each exhibitor when they walk into her ring, whether they are the first entry of the day, or the last; is to greet them with a smile, and to make their experience as comfortable, and as pleasant as it can be. She has been honored to have judged the Rally National Championship, and the AKC Obedience Classic, and now looks forward to judging the NOC and all the fabulous handlers and their dogs.

Barb has three beautiful Topbrass Golden Retrievers: Brandy age 13, Scarlett age 1 ½ and Luna age 3 months. Brandy is now retired after a wonderful career in obedience, rally and coursing; Scarlett has her AKC Novice Trick title and is studying for the Novice ring, and her newest fur-baby Luna is in Puppy Kindergarten. Over the years Barb has enjoyed showing her Golden Retrievers in obedience, rally, agility and coursing, and continues to show to this day.

Barb is married to her wonderful husband Phillip; and they have one son, a fabulous daughter-in-law, four wonderful grandchildren and a beautiful great-grand daughter just born in August of 2019. She retired in April 2018 after working full-time as the Administrator for a large private surgical practice located in the Twin Cities area where she had been for the past 31 years...and she’s loving retirement!

Barb says, “Now I am able to train and take classes with my younger dogs during the daytime, take my senior dog to hydrotherapy each week, and spend more time with my family which means everything to me. I am so honored and thrilled to be Judging the 2020 NOC and wish all exhibitors the very best of luck!”

### Mrs. Jamie J. Sieveking – Columbia, Missouri

Jamie began with her first Weimaraner in 1989 as a pet, and soon more came into her life. The journey to dog training began when her first male was out of control and went through a back-door window, nearly severing his leg. After convalescing she found a training program and he became her first working dog. She began competition obedience with him in 1995 and found her new passion. She has since titled many of her dogs in conformation, obedience, rally, tracking, hunting, scent work, CGC, CGCA, and tricks. She is currently active in the Weimaraner Club of America, Weimaraner Club of Greater St. Louis, and Columbia Missouri Kennel Club. She has served these clubs as a board member, show secretary, and show chairman. For the last 15-years she has been active as a project leader, trainer, and judge in numerous 4-H Dog Programs.

Having been a competitor in Free Style Obedience exhibitions and Rally Obedience completions in other venues, the path was laid for her to continue to build on her skills as AKC Rally was forming into a sport. Since 2005 when Rally became a titling event she has been dedicated to the sport as one of the first AKC Rally Judges. She has continued to title all her dogs in rally over the last 20-years. Also, she is sought after as a local judge, and has judged many national specialty shows, as well as regional specialty shows.

Jamie has continued to hone her skills as an instructor at the Columbia Canine Sports Center in Columbia, MO for the last two decades, teaching Rally Obedience, Star Puppy classes, and Scent Work classes. She also, continues to write and present seminars on AKC Rally Obedience throughout the Midwest. These seminars are keeping competitors abreast of the current AKC Rally rules, as well as techniques to be successful in the sport.

Having been selected and invited to the AKC Rally National Championship, she is honored to judge her assigned classes, and hopes that the courses she has prepared will be challenging and enjoyable to run.

## AKC Rally® National Championship Judge

### Mrs. Nancy J. Watson – Zephyrhills, Florida

Nancy started showing in obedience in 1978 with her first dog, a Doberman Pinscher. Since then she has titled two different breeds to OTCH titles; Shetland Sheepdog OTCH Jul-Rich's Victory Secret UDX MX OAJ, and Australian Shepherd AKC/ASCA OTCH Penn Y Caeraus Just Call Me Mystr.

Nancy started judging obedience in 1999 with her national breed club and after she finished Mystr she decided it was time to give back to the sport she truly loved. She began judging with AKC in 2011 and became approved regular status Utility in April 2014. She has judged twice in Germany for her national breed club and since she started judging she has been to more states than growing up and marrying in the military.

Nancy began competing in Rally in 2011 with her Aussie. She said, "It was a little shaky for me because, for 30 some years, someone was telling me left turn, right turn halt. Now, I have to read and perform the exercise all by myself. I quickly realized I can't read and walk at the same time." In 2012 she became an AKC Rally Judge and enjoys creating courses and loves watching teams run them. Her greatest thrill is when teams run her courses smoother and faster than she and her dog.

Nancy shares her home with her husband, Robert, of 47 years and two Portuguese Water Dogs. She has two children and three grandchildren.

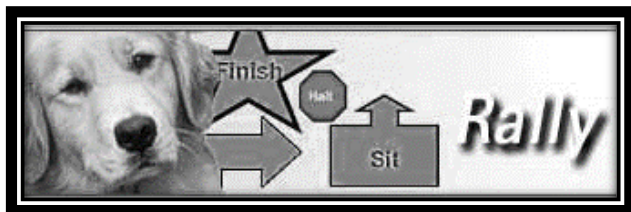

Robert has been the biggest supporter in her career of showing and judging. He has built many jumps, A-Frames, and most recently water platforms to simulate the back of a boat for water practice. Through the years Nancy has titled dogs in several venues, obedience, rally, agility, tracking, scent; and the Portuguese Water Dog Club of America's water trials. She thinks her biggest challenge in water trials was the buoy ball

drop. It went against all her obedience training to train a dog to swim away to a marker then continue past the marker until she commanded the dog to drop the article, leave it, and swim back to her. When practicing, tracking and scent practice is probably her favorite due to the small amount of equipment she has to load in the car, just flags for tracking, and little tins for scent.

Nancy said, “I enjoy training more than trialing and like tracking, water and scent the most because these tests and trials are instincts for the dog. Wishing all the teams good luck and remember to enjoy this time with your dog.”

**AKC Rally® National Championship Judge**  
**Mr. Robert Withers – Lakeland, Florida**

I would like to introduce Bob and provide you with a little insight or shall we call it “hindsight” into his background.

Bob was introduced into the competition training world by attending classes with his wife while she was training her dog. She had an extensive background in competitive training both in conformation and obedience. This partnership led to Bob eventually assisting in the training of a client dog that his wife was training and eventually showing that dog to a CDX title. Bob had been bitten by the dog show bug and after titling a couple of dogs he began teaching basic obedience classes to the general public.

His first introduction to Rally was at a local Obedience trial in early 2003. After the show the club setup a ring to demonstrate Rally and let anyone that wanted to try it, at that time there was very little information about Rally and Bob found it difficult to understand how a handler could read the signs and be able to do the exercises.

Later in the year Bob was asked to put together a program to introduce Rally-O at our training facility and see if there was any interest, soon Bob was teaching three classes a week filled with students.

In December of 2004 at an AKC Obedience Judges’ seminar on the second day of the program AKC leadership introduced AKC Rally to the current judging staff. Rally was to become a titling class January 2005 after the information about the new classes had been presented the question was asked if anyone that was not currently a Judge would be interested in applying. Many of the attendees at the seminar were Bob’s students and they all thought that he should apply, that started his judging career.

**AKC Rally® National Championship Judge**  
**Mr. Robert Withers – Lakeland, Florida**

Bob's early competition years were great fun as his wife was always one of his greatest competitors, they trained their Shelties very hard, Bob thought he had a little advantage using his dog for demonstrations at classes, but his wife's dog was much faster so even with perfect scores he would often lose on time.

Bob had so enjoyed judging Rally over the years that he decided to complete the requirements so he could judge all levels of Obedience also.

Bob was pleased when asked to serve as a member of the AKC Rally Advisory Committee in 2010 and he was very proud to have been selected to Judge the first AKC Rally® National Championship in 2014. Bob has also had the privilege to judge the Juniors Classic in 2016 and again honored when he was invited to judge the National Obedience Championship (NOC) in 2019.

Bob has always enjoyed working with the local 4-H clubs and Future Farmers of America providing coaching opportunities to the members and leaders, it is his belief that if we are to successfully continue our beloved dog sports, we have to create interest within our youth. Bob has also volunteered judging services to the local 4-H events and has judged several years at the Florida State Fair Obedience and Rally competitions.

Bob is a Lifetime member of the Mid-Florida Shetland Sheepdog Club, a member of the Tampa Bay Area Shetland Sheepdog Club and a member of the Imperial Polk Obedience Club in Lakeland, FL.

“Good luck to all of you that have worked so hard to be eligible to compete this year and congratulations to the team that becomes the 2020 Rally National Champion.”

## Patricia R. Krause

### “Soaring Eagle” Perpetual Memorial Trophy

In April 2017, the obedience world lost our friend and mentor, Pat Krause. Pat Krause had been in the dog show world since 1965, showing Irish Setters in obedience, conformation and field events. In addition to Irish Setters, she earned numerous titles in obedience with her Border Collies and Champion Pomeranian.

Pat was the Assistant Director of Training at K-9 Obedience Training Club of Menomonee Falls, WI; the Director of Training for the Irish Setter Club of Milwaukee; and a private trainer at several other clubs in the Milwaukee, WI area. Pat was an Obedience Judge for more than 40 years and came to the AKC in 1999 as the Director of Obedience; then in May 2000 she was named Assistant Vice President of Companion Events.

In May 2005 Pat retired from AKC and resumed judging Obedience and Rally. In her spare time, she volunteered at the Northwoods' Wildlife Rehabilitation Center as an animal/raptor rescuer and rehabilitator; she loved eagles.

Pat's five years as AVP of Companion Events saw the continued growth of AKC agility and the introduction of AKC rally, among the most successful programs in the organization's recent history. Under her stewardship, AKC Companion Events thrived with National Championships in Obedience, Agility and Tracking; and with AKC sponsored teams competing internationally.

Pat Krause was generous with her knowledge and time, to not only the winners, but also to the first-time dog training enthusiast. She never forgot how she became involved in dog training and was sure to mentor anyone who wanted help.

**It is for this reason that the Companion Events Obedience & Rally Team will award the “Soaring Eagle Award” at the National Obedience Championship, in memory of Pat Krause, who was always there to give a word of encouragement.**

At the NOC, at the end of the first day's competition, the top 50-ranked dogs move on to the second day of competition. The “*Soaring Eagle Award*” will be bestowed upon the 51<sup>st</sup>-ranked dog at the end of the day-one competition, to recognize their efforts and to remind them to never give up; and to always keep reaching, keep striving, keep trying, KEEP SOARING; just as Pat Krause would have emulated.

## AKC National Obedience Championship Awards, Prizes & Ribbons

All participants will receive a Participation Certificate.

### Saturday Awards

A “**Top Dog Medallion by Breed**” will be presented if an AKC Parent Club has chosen to sponsor this award. The AKC will sponsor a medallion for All American Dogs. **AKC National Obedience Championship Judge**  
**Mrs. Dianne L. Allen ~ Kankakee, Illinois**

Dianne showed her first dog 49 years ago. She began with conformation with a German Shepherd Dog, but then found obedience with her unruly GSDs. The bug really bit her when she happened upon her trainer/mentor John Weiss in 1973. She eventually started teaching classes with him and continued for more than 20 years. Without realizing it, she adopted John's handling techniques and was thrilled when Judge Chuck Bush said she reminded him of John Weiss in the ring. In the early 80's she switched to Belgian Tervuren and had her first Obedience Trial Champion and first breed Champion.

More Tervuren followed and so far, there have been 1-BIS, 9-BISS, 5-OTCH, 6-MACH, 7-UD, 7-CH, 2-GCH, 2-TD, 1-TDX, and numerous obedience, herding and rally titles. She takes pride in knowing her dogs have the confidence to perform in various venues with friends. Although she prefers to handle her own dogs, it is not always feasible. A number of close friends have successfully shown them in conformation, obedience, tracking and agility. With all the titles over the years she still felt the pleasure and excitement in finishing her youngest Terv, Lennon's UD last year. She said, "He was a difficult dog from the start, but he showed me his fortitude in completing that UD; although agility is where he really shines."

Her proudest moments as a judge have been judging her first tournament in 1998, judging obedience at her National Specialty and judging Belgian Tervuren Sweepstakes. As an exhibitor she has had many priceless memories - her first UD, first OTCH, winning the National Specialty in both conformation and obedience, and of course winning the Best in Show.

**AKC National Obedience Championship Judge**  
**Mrs. Dianne L. Allen ~ Kankakee, Illinois**

As they say, “Variety is the spice of life” and each of her Tervuren have achieved titles in multiple venues. Dianne’s primary passion continues to be obedience and in 1989 she became an AKC Obedience Judge and was later grandfathered in as a Rally Judge at its inception. She is currently contemplating the idea of Conformation Judging.

Dianne has co-bred several litters over the years with her primary Belgian Tervuren mentor, Sharon Redmer. Sharon does the whelping and then the litter goes to Dianne’s house for some early training of the crate, obedience and self-stacking for conformation.

Currently Dianne exhibits in conformation, agility, obedience and rally and hopes to continue making memories and enjoying all the canine activities for as long as she can. Dianne said, “I thoroughly enjoy both sides of the clipboard and wish the best of luck to all the exhibitors.”

**AKC National Obedience Championship Judge**  
**Mr. Frank Cardillino ~ Easton, Maryland**

A retired engineer, Frank has been in the sport of purebred dogs since 1972 with Afghan Hounds, Weimaraner's, Dobermans and then Portuguese Water Dogs. He has owned and continues to own Portuguese Water Dogs and has been a member of the Portuguese Water Dog Club of America since 1993.

In 1972, his first dog was a beautiful Afghan Hound. It soon became apparent that some form of obedience training was necessary. After attending a few private obedience sessions, the instructors explained that there was competition obedience for those that wanted to continue beyond the basic instruction that they were providing. Once Frank entered into the world of obedience trials, he was hooked.

The experience of exhibiting in conformation, agility, Portuguese Water Dog water trials and obedience over the past two decades, prepared him to become an AKC obedience judge. Judging obedience trials is a commitment to the sport at the highest level and a way to help continue the tradition of obedience training and trialing. As an obedience judge, he has had the opportunity to see the best of the best in obedience competition as well as help guide the new exhibitors into this rewarding and fun sport.

Frank has been an obedience instructor for two clubs, served as the training director for Salisbury Maryland KC, in addition to Obedience Trial Chair for the Portuguese Water Dog Club of America National and Salisbury Maryland KC, and is a PWDC Water Trial Judge. Frank is currently a member of Salisbury Maryland Kennel Club.

**AKC National Obedience Championship Judge**  
**Mrs. Cathryn Knight ~ Polk City, Florida**

Cathy's involvement in AKC obedience began when she married Bob Knight in 1970. Her mother-in-law, Betty Knight, was happy to have a daughter and even happier to introduce her to dog training.

During their early years of marriage, Bob and Cathy made many moves which gave Cathy the opportunity to gather training information from many sources. Other than her Knight connection, her training was influenced the most by Jewel Walton in St. Louis, Missouri; and other than her Knight connection, her judging was influenced by Jim Grimm of Endicott, New York and Bill Thayne, also from New York.

Cathy's first Utility title was with a Miniature Schnauzer around 1977. She has completed two OTCH's, both were Standard Schnauzers, and both were also conformation CH's. There have been tracking titles, agility titles and she even stuck a toe in the rally ring, but obedience has always been the sport she enjoyed the most with her dogs.

Prior to judging obedience, Cathy had the privilege of owning a dog business with Bob. Training and competing with many different breeds is a learning opportunity. They are now fortunate enough to be enjoying retirement, their dogs and their new home in Florida.

Cathy said, "Thank you everyone who works hard to put on these events, especially in these difficult times. Good luck to all those that compete. Enjoy your time in the spotlight."

## AKC National Obedience Championship Judge

### Mr. Robert “Bob” Margolis ~ Cerritos, California

Bob started in the sport of dogs in 1980 with his first Weimaraner, Ch Sargent’s Silver Moon, UD, SD, NRD, VX. With Moon he explored not only obedience, but what they could do in the field and retrieving as well as conformation. Over the years he has competed with his dogs in field trials, hunt tests, obedience, rally, conformation, and Weimaraner Club of America’s Field & Retrieving Ratings tests. His dogs have earned the title of Number 1 Obedience Weimaraner, as well as a place on the Top 20 in conformation, and at least explored a little bit of field work. Through training and competing in these various activities he has developed an appreciation for all things we can do with our dogs, and most especially the strong bond developed through training and competing in obedience.

In 1988 Bob was lucky enough to have Sharon & C.T. Fulkerson as good friends & mentors. They convinced him to apply to judge obedience; and he has loved every minute of it ever since. He has judged and competed at obedience trials across the country as well as various tournament events, including several Gains Events, the AKC NOI, and now the AKC NOC. In 2004, he was approved to judge Weimaraners in conformation, followed by Golden Retrievers a few years later.

Competing in and judging in both obedience and conformation has emphasized the importance of temperament as well as structure whenever he breeds a litter of Weimaraners. These qualities are at the forefront when planning all their litters.

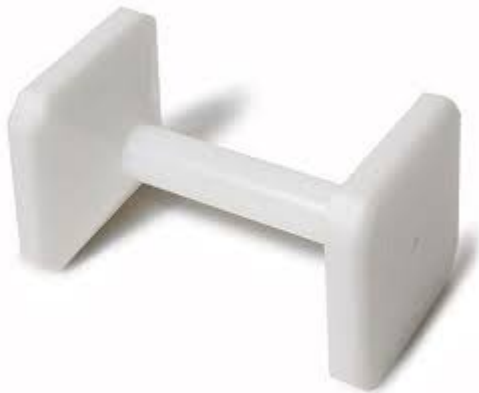

Bob’s current dog, GCHS CH Silogram's Rolls Royce UDX OM1 RN, is also a registered Therapy Dog and has points towards his OTCH. His structure and temperament have earned his rank as the Number 1 Obedience Weimaraner and he is in the Weimaraner Top 20 for Conformation.

**AKC National Obedience Championship Judge**

**Mr. Robert “Bob” Margolis ~ Cerritos, California**

Bob has served in various Board positions for South West Obedience Club, Southland Weimaraner Club, and the Weimaraner Club of America. Aside from the Board position, I was also the WCA’s Judges’ Education Chairman for several years. He also served as President of the Pacific Obedience Association which was responsible for hosting several Gains events on the West Coast. Currently, Bob is the President of the Long Beach Kennel Club and Southland Weimaraner Club.

Bob said, “Through judging I have met some wonderful people and dogs who compete at all levels in this sport. Wishing the best of luck to all of you at the 2020 NOC.”

**AKC National Obedience Championship Judge**  
**Mrs. Cheryl Pratt ~ Virgilina, Virginia**

Cheryl has owned dogs her entire life but did not become involved with dog obedience until the late 1980's when her family brought home a Great Dane puppy while living in Colorado. Up until then she had always had small dogs. Knowing this boy would outweigh her, she found a local training club and enrolled in a basic obedience class. Like most of us involved in the sport of obedience, she was hooked.

Cheryl says, "Luckily Maxx was much smarter than me and learned obedience despite how little I knew." and she was able to put a CD on him before her husband was transferred to Kuwait with the U.S. Army. There was no way Cheryl could leave this dog behind for two years, so off they went with their two sons and a huge dog. While they were stationed in Kuwait, Cheryl kept up Maxx's training on her own and when they came back stateside, they joined the Mt. Vernon Dog Training Club in Alexandria, VA to continue their work. Maxx was on his way to earning his CDX when they lost him at the age of seven.

Cheryl said she learned so much from that first obedience dog, like how to have fun, and how not to take anything too seriously; he was a big goofy boy, how to NQ and still love her dog and to learn what they needed to work on. Over the next 30 years Cheryl trained two more Great Danes, a Labrador Retriever and a rescued Greyhound from the track – earning four more CD's and two CDX's. About 10 years ago Cheryl decided to down-size and now has two Vizslas – Henry & Jethro. Henry is retired with a UD and a RAE. She's training and showing Jethro in between judging assignments, and he's earned his CD, PCD, BN and RA. However, she said that this boy is the most ring sensitive dog she's ever owned, and the journey has been a learning process for both of them. Every dog she has trained has taught her something about herself and training.

**AKC National Obedience Championship Judge**  
**Mrs. Cheryl Pratt ~ Virgilina, Virginia**

Cheryl also became involved with rally when it first started in 2005 after attending a seminar with a friend who convinced her to apply to be a judge. Starting with a sport from the ground up has been exciting. Once Henry earned his UD, she was encouraged by many friends to apply to be an obedience judge. There were so many people that helped her through that process which she completed in 2018. It wasn't easy but she loves being an obedience and rally judge and has met so many new people as she travels around the country. Obedience/rally exhibitors are the nicest, friendliest, most helpful group you'll ever meet.

Cheryl says, "It's such a joy to watch a team having fun and working together in the ring. I would like to wish everyone good luck, remember to breathe and make sure you hug your dog when you leave the ring."

## AKC National Obedience Championship Judge

### Mrs. Barbara Wedekind Selton ~ Bloomington, Minnesota

Judging obedience and rally has taken Barb to so many fabulous places from Alaska to Texas, from Hawaii to New York, from Canada to Florida and everywhere in between. With each place she has met great people, wonderful dogs and experienced spectacular travels.

Handlers often tell her “You make it such a wonderful experience in the ring”, and she responds... “Because I Love Judging,” and they say it shows. Barb loves to judge because she is passionate for the sport and loves giving back to the obedience community, who has given her so much for the past 40 years. She put her first dog in the ring in 1980, where she won a blue ribbon-and says she was hooked!

Barb’s goal every time she judges each exhibitor when they walk into her ring, whether they are the first entry of the day, or the last; is to greet them with a smile, and to make their experience as comfortable, and as pleasant as it can be. She has been honored to have judged the Rally National Championship, and the AKC Obedience Classic, and now looks forward to judging the NOC and all the fabulous handlers and their dogs.

Barb has three beautiful Topbrass Golden Retrievers: Brandy age 13, Scarlett age 1 ½ and Luna age 3 months. Brandy is now retired after a wonderful career in obedience, rally and coursing; Scarlett has her AKC Novice Trick title and is studying for the Novice ring, and her newest fur-baby Luna is in Puppy Kindergarten. Over the years Barb has enjoyed showing her Goldens in obedience, rally, agility and coursing, and continues to show to this day.

Barb is married to her wonderful husband Phillip; and they have one son, a fabulous daughter-in-law, four wonderful grandchildren and a beautiful great-grand daughter just born in August of 2019. She retired in April 2018 after working full-time as the Administrator for a large private surgical practice located in the Twin Cities area where she had been for the past 31 years...and she’s loving retirement!

**AKC National Obedience Championship Judge**

**Mrs. Barbara Wedekind Selton ~ Bloomington, Minnesota**

Barb says, “Now I am able to train and take classes with my younger dogs during the daytime, take my senior dog to hydrotherapy each week, and spend more time with my family which means everything to me. I am so honored and thrilled to be Judging the 2020 NOC and wish all exhibitors the very best of luck!”

**AKC National Obedience Championship Judge  
Mrs. Helen Smith ~ Jones, Oklahoma**

Helen was born and raised in Southern California where until her late teens she trained and showed horses, mostly hunters and jumpers. In the early 70's she saw someone training a Dalmatian for obedience in the park. I soon learned that he was Hugo Schreiner. Hugo trained and showed Dalmatians and was an obedience judge. He took Helen under his wing and helped her earn a UD and TD on that dog. While she was stewarding obedience, often for Hugo, it opened her eyes to the world of judging.

Helen met and married her husband while in California. Since he was born and raised in Oklahoma, they packed up their horses and went to live in Oklahoma. Over the years, she has competed in agility, hunt tests, rally and obedience, but obedience is her main love. She's earned OTCH titles on nine Golden Retrievers, placed four times at the Invitational, won the Classic and has earned 26 200's among five of her dogs. She currently has a two-year-old Golden Retriever that just earned his UD that she hopes he will be her tenth OTCH.

Helen is a member of the Oklahoma City Obedience Training Club and has been the obedience statistician for the Golden Retriever Club of America since the early 1990's. She has been judging for almost 15 years and it has been a great experience for her. Judging obedience trials has allowed her to meet many interesting people, see lots of wonderful dogs and travel all over the USA. She said, "Obedience has given me friends for a lifetime in all areas of the country."

"Thank you to all the AKC folks for all the hard work involved year after year. I am honored to judge the AKC National Obedience Championship, where I know I will see some wonderful teams and wish all the competitors good luck!

Congratulations to all who have qualified and have fun!"

**AKC National Obedience Championship Judge**  
**Mrs. Nancy J. Watson ~ Zephyrhills, Florida**

Nancy started showing in obedience in 1978 with her first dog, a Doberman Pinscher. Since then she has titled two different breeds to OTCH titles; Shetland Sheepdog OTCH Jul-Rich's Victory Secret UDX MX OAJ, and Australian Shepherd AKC/ASCA OTCH Penn Y Caeraus Just Call Me Mystr. Nancy started judging obedience in 1999 with her national breed club and after she finished Mystr she decided it was time to give back to the sport she truly loved. She began judging with AKC in 2011 and became approved regular status Utility in April 2014. She has judged

twice in Germany for her national breed club and since she started judging she has been to more states than growing up and marrying in the military.

Nancy began competing in Rally in 2011 with her Aussie. She said, "It was a little shaky for me because, for 30 some years, someone was telling me left turn, right turn halt. Now, I have to read and perform the exercise all by myself. I quickly realized I can't read and walk at the same time." In 2012 she became an AKC Rally Judge and enjoys creating courses and loves watching teams run them. Her greatest thrill is when teams run her courses smoother and faster than she and her dog.

Nancy shares her home with her husband, Robert, of 47 years and two Portuguese Water Dogs. She has two children and three grandchildren. Robert has been the biggest supporter in her career of showing and judging. He has built many jumps, A-Frames, and most recently water platforms to simulate the back of a boat for water practice. Through the years Nancy has titled dogs in several venues, obedience, rally, agility, tracking, scent; and the Portuguese Water Dog Club of America's water trials. She thinks her biggest challenge in water trials was the buoy ball

drop. It went against all her obedience training to train a dog to swim away to a marker then continue past the marker until she commanded the dog to drop the article, leave it, and swim back to her. When practicing, tracking and scent practice is probably her favorite due to the small amount of equipment she has to load in the car, just flags for tracking, and little tins for scent.

Nancy said, "I enjoy training more than trialing and like tracking, water and scent the most because these tests and trials are instincts for the dog. Wishing all the teams good luck and remember to enjoy this time with your dog."

## **Congratulations to Maureen Schulz 2019 Obedience Breeder of the Year!**

The story of Wildfire Border Collies began when Maureen was just in high school. She fell in love with a blue merle puppy who would become known as Stripper and the foundation sire for the mother and daughter breeding team. This quickly became the family's passion of breeding, raising and loving the puppies to come.

The driving force behind Maureen's love for the breed and the love of the sport has been her mom, Pat Schulz. Pat began her obedience career in 1959 as one of the few females in the sport. She started training toy poodles, papillons and then Border Collies who were in the miscellaneous class at that time since the breed was not yet recognized by the AKC. Maureen followed in her mom's footsteps pouring her energy into the breed and training in several different venues. Maureen studied hard, learning all she could about the Border Collie breed, health testing and breeding practices. She kept a bitch puppy out of Stripper's first litter. Her name was Devan and in 1994, she whelped the very first litter of a long line of successful Wildfire puppies. This litter of 6 puppies brought 5 conformation champions and a flyball champion.

Wildfire's dedication has since produced over 50 OTCH dogs and innumerable dogs with obedience titles, agility champions, herding champions and conformation champions as well as grand champions. Her love and commitment to the Border Collie breed is outstanding as shown by how the dogs she has bred have excelled in all canine sports but especially in the sport of competition obedience.

Maureen has been mentoring and coaching obedience students with her never ending encouragement and creative training skills and knowledge. She offers weekly classes and occasional seminars to those wanting to learn more.

Her love and commitment to the Border Collie breed has been outstanding as shown by her exceptional dogs in canine sports and highlighted in the sport of performance obedience. Those of us who have or had Wildfire dogs have been the beneficiaries of the love and care that Maureen has devoted to breeding her beloved Border Collies. We are thrilled that the AKC has chosen her for the well-deserved honor of Obedience Breeder of the Year.
